Royal Court is a beautifully maintained complex for those aged 60+ in an enviable position directly opposite the Den and sea front. It is situated on the site of the former Royal Hotel and retains much of its original splendour in the galleried residents lounge. This apartment is located in a prime position at the front of the building with sea views and views across The Den to The Pier. We've sold many flats in Royal Court and so know many people who live there, all of whom are very happy there. Also the Resident Manager is particularly helpful and many social activities can be enjoyed if you wish to get involved.

Royal Court is accessed via a communal entrance with intercom entry system. There is a lift and stairs to all floors. Situated on the third floor the front door leads in to the entrance hall of this particularly impressive apartment. In the hallway there is an entry phone system, electric heater and a large airing cupboard with light which houses the hot water cylinder.

The large living room with feature fireplace housing electric fire has a window to the front with far reaching views across The Den, Teignmouth Pier and the sea. Off the living room is the kitchen with light wood base and wall units, single bowl single drainer sink unit, tiled splash backs, electric oven, hob and cooker hood and space for appliances.

The main bedroom has a window to the front overlooking The Den and out across to Teignmouth Pier and the sea and coastline and benefits from built in mirror fronted wardrobes.

There is an en suite wet room with shower, low level flush WC, pedestal wash hand basin with mirror over, tiled splash backs and an electric wall heater.

A second bedroom gives the same lovely views as above.

The main bathroom comprises bath with shower above and screen, low level WC and wash hand basin in counter with storage below. There's also a heated towel rail, electric wall heater and an extractor fan.
