A high quality trading estate of warehouse /
light industrial units ranging from
2,031 - 31,200 sq ft

Immediately Available

Eldon Road

Eldon Road comprises terraced warehouse/light industrial units constructed of solid brick elevations with metal cladding and first floor offices.

Each unit has a full height roller shutter door leading directly into the main warehouse, which benefits from a 5.0m eaves height, providing manufacturing/storage space.

The warehouses also benefit from translucent roof panels as a natural source of light. To the front of the property there is a well-proportioned forecourt providing loading and parking areas.

Specification

-  Individual EPC available on request
-  Translucent roof panels
-  Good eaves height
-  3 phase power supply
-  Loading and parking forecourt
-  Roller shutter doors

Strategic logistics location

Eldon Road Trading Estate is conveniently located adjacent to the A6005 Nottingham Road and situated 3.5 miles from the M1 Motorway and Junction 25. It's just under 5.5 miles from Nottingham City Centre while East Midlands Airport is just over a 20 minute drivetime. Nearby Attenborough station offers direct and regular services to Nottingham, Matlock and Newark Castle.
