The extended accommodation is set over two floors to provide four bedrooms, lounge, snug, generously sized dining kitchen, a conservatory, a bathroom and an en suite facility. The property is approached via a lengthy driveway which provides parking for six to seven cars and extends to a detached brick built garage with double doors and there are lawn gardens to front and rear.

The timber entrance door with an opaque diamond leaded inset sits to the side of the property and opens into the L-shaped hallway with two ceiling lights and a radiator.

The lounge has a diamond leaded bow window to the front, and pendant light. The focal point of the room is the natural shaded quartz fire surround with a gas coals fire which has a television point to the side.

The snug has a large, opaque window to the kitchen, a ceiling light and a mahogany spindle staircase rising to the first floor with a storage cupboard beneath.

The very well appointed dining kitchen has vinyl flooring, ceiling lights plus three pendant lights over the table space, and a radiator. An excellent range of ivory-shaded wall and base cabinets are fitted to include a peninsula unit, a wine rack, drawers and having brushed steel handles and subway-style splash tiling. The wood effect worktops have an inset stainless-steel single-drainer sink unit with swan-neck mixer tap to the peninsula unit and close by is an integrated Neff automatic dishwasher. Also inset is a Neff four-ring induction hob with complementary stainless-steel chimney-style extractor fan over and two integrated ovens - one with a grill and the other having a warming drawer beneath. There is plumbing for an automatic washing machine, space for a tumble dryer and, beyond the peninsula, there is more than ample space for a dining table and chairs.

French windows open into the hardwood conservatory with further French windows to the garden, a central pendant light, leaded lights and ceramic tiled flooring.

There are three bedrooms to the ground floor; a good sized double, bedroom one has a window to the rear overlooking the extensive rear garden, a pendant light and a radiator. Tiled to all splash areas, the family bathroom has an opaque side window, ceiling light and a chrome ladder-style heated towel rail. The white three-piece suite comprises a pedestal wash hand basin, a close-coupled WC, a panelled spa bath with centralised tap and hand shower and, in addition, there is a wall mounted mirror cabinet.

The first floor bedroom has sliding patio doors to the rear, two ceiling lights and a radiator. A built-in bookcase pulls out to reveal excellent eaves storage space. The en suite is tiled to all splash areas, has vinyl flooring, a pendant light and is fitted with a white three-piece suite comprising a corner shower cabinet, a pedestal wash hand
