Property Description

Burchell Edwards are delighted to bring to market this extensive 5-bedroom detached family home, situated on a recently completed Bellway Homes development at the edge of Burton-Upon-Trent. The Henhurst area has an excellent primary school, a small number of local pubs, and a convenience store.

The property is positioned towards the middle of the King Lane estate, accessible from either end of the crescent meaning minimal traffic bypasses the home. Directly opposite is open green space with a children's play area. Off-road parking for 2 vehicles is provided in front of the integrated double garage, with access around the side to an enclosed and private south-facing rear garden.

Entry at the front leads into an inviting hallway, leading off to the large front reception room and offering storage under the stairs. Amtico luxury vinyl flooring flows throughout. Towards the rear is the spacious and light kitchen-diner, thanks to large French patio doors leading out to the rear. Leading past the modern kitchen units takes you around to a separate utility space, with guest cloakroom and access into the integrated garage.

The 1st floor accommodation consists of 4 double bedrooms and a 5th single, both the master and 2nd bedroom being large en-suites. A family bathroom, built-in storage cupboard, and ladder access to the insulated ad part-boarded loft space complete the upstairs. Early viewing advised.
