## 4 Bedroom Detached House

£485,000

Elloughton Grove, The Dales, Cottingham, HU16  
5JR

This is a perfect opportunity to acquire a superb detached property, which has been the subject of tasteful and stylish updating throughout.

Internal viewing is not only highly recommended but is absolutely essential, in order to appreciate the size and standard of the accommodation on offer.

The property is a credit to the present owners, as much thought and attention to detail has been paid to the updating and refurbishment.

The internal accommodation is arranged to two floors, is exceptionally presented, and flows beautifully throughout the property.

The accommodation briefly comprises of:

an entrance hall, a ground floor cloaks/WC, a pleasant, bright and spacious lounge with a contemporary finish.

There is a further reception room which extends through from the Breakfast Kitchen, and would be perfect for a formal dining room.

The Breakfast Kitchen has a range of high gloss, soft closing units with clean lines and coordinating fixtures and fittings, and a full range of integrated appliances.

Full width doors to the breakfast area provide access and rear views to the rear garden.

A spacious double bedroom with en suite is also placed within the ground floor - ideal as a guest suite.

To the first floor are three aesthetically pleasing bedrooms, two with full en suite facilities and walk in wardrobes, thus creating ample storage and hanging space.

Outside to the rear, the garden serves to enhance the overall presentation throughout.

A superb leisure area, ideal for relaxation or entertaining with family and friends.

The garden is mainly laid to lawn, with well stocked borders and beds, housing a lovely display of plants, flowers and shrubs.

The garden enjoys a non overlook position from the rear, creating a degree of privacy.

Additionally, there is a gardeners shed and a garage, which is integral to the main house.

The garage benefits from a utility area, with plumbing, power and light.

To the front of the property, the garden has been laid with fine stone gravelling.

A private drive creates a multi vehicle off road parking space or hard standing area.

Additionally, as one would expect of a property of this calibre, there is a gas central heating system and double glazing.

There are also many additional features and quality fixtures and fittings too numerous to mention.

A very special property, one not to be missed!

## Location

The property is perfectly placed within a highly sought after, residential cul de sac, off The Dales, in this popular village of Cottingham.

Cottingham Village has so much to offer in terms of local amenities.

There are busy, independent local traders and supermarkets, a village green with a regular market. The Village is also well served with regular public transport connections, as the Village has its own railway station, together with public transport links, in and out of the City.

The historic town of Beverley is just a short commute from the property, and for those wishing to spend leisure time with family and friends, there are many well visited cafe bars and restaurants to choose from. Other amenities include a library, post office, doctors surgery, and a fitness centre.

The Castle Hill Hospital is also just around the corner, in other words everything that may be needed for day to day living, is right there within the Village!
