Upon entry you have an entrance hallway, downstairs wet room, storage cupboard, a fully fitted kitchen, large lounge with dual aspect windows and either a dining room or third bedroom, however you need the space to work. To complete the downstairs footprint is a brick built conservatory which provides internal access to the garage. To the first floor you have two double bedrooms, both of which have fitted integral storage, and to complete a separate toilet between the two. At the rear of the property is a low maintenance, private garden with a slabbed seating area and lawned sections. The garden is privately fenced off on all sides.
