Property Description

This must-see home offers modern fixtures and fittings, contemporary decor and traditional cottages vibes, all with fantastic countryside views to the front of the home. Inside the main reception, you'll love the open plan layout with a centrally located feature fireplace that neatly separates the kitchen and dining areas. The space to lounge has been enlarged with a ground floor extension that enjoys a lantern roof and plenty of windows letting light in from the low maintenance yard to the rear.

There is also a separate space downstairs that was previously a wet room, and is now currently used as a play room, but would make an excellent home office or snug. To the side of the lounge is the gorgeous spiral staircase that spans all three floors. The first floor offers a large principal bedroom with amazing views and a lavish en suite bathroom. The second room is a good size with lots of fitted wardrobes.

A further double bedroom sits atop all on the second floor and features eaves storage and it's own en suite wet room. Outside, the low maintenance rear garden has a covered area ideal for entertaining and would make an excellent setting for a hot tub or bar.
