The Property

This excellent family-sized semi-detached period house has been the subject of a comprehensive renovation and large rear extension. Formerly a Victorian farmworkers cottage, today the property provides very comfortable, well-appointed and generous accommodation. Having been thoroughly upgraded throughout, works carried out include a new heating system, plumbing, plastering, windows and all new fixtures, in addition to the large extension and the construction of new outbuildings.

The accommodation is ready to move into extending to over 2,240 sq.ft. On the ground floor, a central entrance hall leads to two reception rooms either side and a fashionable kitchen/family room. The living room features a characterful fireplace and is dual-aspect. The impressive kitchen/family room is flooded with natural light through a sky lantern and new wave doors flowing out to the garden.

The kitchen is well-equipped with a dishwasher, double oven, microwave, and induction hob. To the side, there is a versatile additional reception space as either a study or playroom, a downstairs shower room and a utility room with rear access. On the first floor, there are four double bedrooms, two with en-suite shower rooms, and a family bathroom.

The property is located on the outskirts of the village of Dauntsey down a no-through side lane and is set within a good-sized garden fully enclosed with timber fencing. There is plenty of private parking over a gravelled driveway to the front and side of the house. A substantial double garage is a fantastic addition with a home office at the rear complete with en-suite facility.
