The Property

4 The Green is an exceptional Grade II Listed townhouse situated opposite the church within the very heart of Tetbury just a moments' walk from an abundance of shops and eateries. Dating back to the 1800s and constructed of natural Cotswold stone, this attractive period property has undergone a truly outstanding transformation having been thoroughly renovated to an exacting standard and stylishly presented throughout.

The ground floor layout has been designed as open plan comprising a sitting room and kitchen with limestone flooring beneath. At the focal point of the sitting room is a magnificent inglenook fireplace beside a charming oval stone window overlooking the picturesque side street. Benefitting from underfloor heating, the superb kitchen includes an integrated Neff induction hob, an ElectriQ oven, along with an integrated Logik dishwasher. Stylish contemporary Marlin aluminium glazed doors open to the decked rear courtyard area which has external up-lighting against a traditional dry-stone wall. Classic

turner staircases span across the three floors. On the first floor there is a double bedroom with a shower room. The principal bedroom suite occupies the entire second floor and is most impressive with a spectacular vaulted ceiling and mezzanine floor above. The suite comprises a dressing room, double bedroom and en-suite shower room. Both of the shower rooms have under floor heating (along with wall hung Duravit WC's and basins) whilst the bedrooms enjoy delightful views of St Mary's church.

This wonderful period home is ready to move straight into with no onward chain and lends itself as a holiday cottage or second home as well as a primary residence. Other significant upgrades include re-wiring, a new Worcester combi-gas boiler and Turnbull & Scott radiators, and new conservation windows, along with Edward Bulmer paint colours throughout. On street parking is available on The Green and adjoining streets whilst the West Street public car park is located across the street.
