The Property

Orchard Barn is an attached period barn conversion occupying a secluded position in the village of Leigh Delamere hidden down a private drive. The property is an ideal smallholding perfectly setup for the equestrian hobbyist with stabling, a manege and paddock.

Formerly a barn belonging to the neighbouring Manor Farm as part of the Neeld Estate, the property boasts excellent proportions accentuated by high vaulted ceilings and glazed doors connecting to the south-facing front courtyard. Arranged over a single floor, the accommodation extends to around 1,750 sq.ft. The main living space comprises a very large living room and kitchen/dining room. The living room has a wood-burning stove at the focal point. The kitchen is fitted with a breakfast bar island and integrated appliances include a dishwasher, fridge, freezer, and washing machine. Across the hallway, there are three bedrooms and a bathroom. The fantastic principal bedroom suite is accompanied by an en-suite with a large walk-in shower and free-standing bath.

Set down a private driveway which is shared with three other properties, the property has excellent privacy entered through a double gate to a walled forecourt providing ample private parking as well as a timber-built double garage with two storerooms and power connected. Across the forecourt there is gated access into the stable yard which comprises two stables within a large 41ft open barn. The 1.1 acre paddock lies beyond backing onto the surrounding countryside and leads to the 20x40m school surfaced with Martin Collins CLOPF sand and fibre and screened by mature hedging. The gardens adjoin the barn including the charming sunny courtyard at the front planted with roses, and a large south-westerly lawn to the side with decking. There is also an orchard.
