About the property

Peter Alan, Cowbridge present this rare chance to acquire a generous four double bedroom, three-storey townhouse complete with paddock, set in the semi-rural area of West Aberthaw in the Vale of Glamorgan. Once part of the original West Hall Country Manor, the home is one of just eight properties converted into unique dwellings during the early 2000s. Boasting excellent storage options, the ground floor features a cloakroom, a lounge with a log burner, and a separate dining area. A bright and modern kitchen, replaced in 2016, sits beside a practical utility room. The first floor offers two double bedrooms including the master with its own en-suite, along with a family bathroom. On the second floor are two further bedrooms, one of which benefits from an en-suite that is also accessible via the landing. The sun-filled rear garden, fully redesigned in 2021, is low-maintenance with black slate paving and timber fencing. Outside, communal areas are well kept and maintained via a monthly residents' fee. A sweeping gravel driveway with dual entrances adds to the grandeur, along with parking for three cars. The home also includes a large paddock—ideal for a pony, chickens, or simply a safe, open space for children or grandchildren. Being sold with no onward chain, viewing is essential to truly appreciate everything this standout property has to offer.
