About the property

Tathan Herd is a beautifully converted five-bedroom detached barn, offered for sale for the first time since its complete transformation by the current owners from two derelict buildings into a spacious and versatile family home approximately two decades ago. Set in a tranquil countryside location, the property blends rustic charm with modern comfort and boasts flexible accommodation ideal for multigenerational living or income generation.

The heart of the home is an impressive open-plan kitchen, dining, and living area with flagstone floors, granite-topped island, vaulted ceilings, and exposed brick and timber features. A bespoke bar and sitting area with bi-fold doors leads out to a private courtyard garden — perfect for entertaining.

The ground floor also includes a utility room, cloakroom, and leisure area connecting three double bedrooms (two en-suite) and a family bathroom. Upstairs are two further bedrooms, including a principal suite with open-plan en-suite and countryside views.

Externally, the property features a triple carport, large gravel driveway, and a peaceful rear garden with seating areas, a greenhouse, and raised beds. A detached one-bedroom annex provides excellent letting potential or private guest accommodation.

Completing the property is a detached barn, three stables, and an enclosed paddock of approximately two acres, ideal for equestrian or smallholding use.
