Swinburn Farm

The property:

Dating from the 1600's and standing proud as the main house to the original farm steading, is Swinburn Farm. With 4 bedrooms and 3 bathrooms, the current vendor, in more recent years developed the neighbouring barn. Swinburn Barn was originally incorporated into the main farmhouse, providing one substantial dwelling, then separated into its own residence with 2 bedrooms and 2 bathrooms, complete with garden and parking.

The nature in which the properties were split, affords the opportunity for an easy incorporation of Swinburn Barn back into Swinburn Farm once more, should the desire be to utilise both properties as one dwelling. As they currently stand, the properties would be ideal for multi-generational living, or as the current owner has done, use one as a super letting property. In addition to the properties themselves, the land which forms part of the acquisition would be ideal for those looking to obtain a home which would lend itself to an equestrian or small holding lifestyle.

Swinburn Farm:

This attractive property is a generously proportioned home, which briefly comprises entrance hall, pantry (former dairy), ground floor WC, a set of stairs to the first floor where the principal bedroom and a bathroom can be found. Continuing to the ground floor there is a beautiful living room, spacious dining room with study, kitchen, and rear hallway with a shower room and boiler/utility room. Off the dining room there is a second staircase, giving access to three further bedrooms and a bathroom on the first floor. It is worth noting that there is a concealed doorway between Bedrooms 1 and 3, allowing direct access between the two rooms.

Swinburn Farm

The property continued & key features

Swinburn Barn:

A beautiful and sympathetic barn conversion, the accommodation sits over three levels, with the elevated position affording stunning rural views. The accommodation briefly comprises entrance utility, kitchen with dining area, ground floor shower room, bedroom, first floor living room with additional mezzanine level, ideal as a study or hobby area, and a further bedroom to the second floor with ensuite facilities.

Grounds – in addition to the properties themselves, there is an undercover car port, two barns/outhouses (former farm buildings), a substantial summer house, low maintenance gardens and raised patio with offroad driveway parking for several vehicles.

Land – Two paddocks form part of the property, which extend to circa 8.4 acres. This land is currently let to a local farmer.

ADDITIONAL INFORMATION

Services

Mains water, electricity and drainage. Oil fired central heating to both properties with separate oil tanks. Swinburn Farm boiler and oil tank serves Swinburn Farm and the en-suite of Swinburn Barn. One oil tank is located in the car port and the other is within the oil house room to the rear and beneath the principle bedroom of Swinburn Barn. This can be accessed via an external door. Mains water inlet – this runs both properties and also the water trough in the field. A sub-meter has been fitted to determine the use (cost) from the water trough in the field. Swinburn Farm – Majority double glazing installed. Swinburn Barn – Double glazing installed throughout. 17 solar panels are situated on Swinburn Farm and there are two batteries in the attic. These feed the property, then it goes to the National Grid. Please note: The mention of any appliances/services within these particulars does not imply that they are in full and efficient working order.

Referral & Other Payments

PFK work with preferred providers for certain services necessary for a house sale or purchase. Our providers price their products competitively, however you are under no obligation to use their services and may wish to compare them against other providers. Should you choose to utilise them PFK will receive a referral fee : Naphthens LLP, Bendles LLP, Scott Duff & Co, Knights PLC, Newtons Ltd – completion of sale or purchase – £120 to £210 per transaction; Pollard & Scott/Independent Mortgage Advisors – arrangement of mortgage & other products/insurances – average referral fee earned in 2023 was £222.00; M & G EPCs Ltd – EPC/Floorplan Referrals – EPC & Floorplan £35.00, EPC only £24.00, Floorplan only £6.00. Garden

Gardens and Parking - Swinburn Barn also benefits from an enclosed garden providing an ideal place to sit out and enjoy the beautiful rural views. The external details cover both properties with a carport offering ample space for offroad parking for one to two vehicles and also housing the oil tank and boiler which serve Swinburn Barn, and additional offroad parking for several vehicles available on the driveway. An outhouse/former barn lies to the side of the car port, currently providing storage space with a further, separate outbuilding which would form part of the original farm steading, now used for the storage of garden tools. The gardens are mainly low maintenance and include a raised level patio which is a lovely area to sit and enjoy the open aspect, and in addition to this, there is a generous summerhouse, well appointed to take in the lovely views.

LAND - The land is accessed from the grounds of Swinburn Farm and is over two fields, extending to circa 8.4 acres. Currently let to a local farmer and used for agricultural purposes, the land includes a field trough which uses water from the main supply into the house, but there is a sub meter in place so this can be separated from a cost perspective. Due to the size of the land available and the proximity of the land to the property, this would make an excellent property for those with an equestrian lifestyle or smallholding lifestyle in mind.

Car port

The external details cover both properties with a carport offering ample space for offroad parking for one to two vehicles and also housing the oil tank and boiler which serve Swinburn Barn, and additional offroad parking for several vehicles available on the driveway.
