Coatflatt Hall Farm

Coatflatt Hall Farm is a traditional, stone built, semi detached house nestled in a small hamlet of properties, quietly positioned at the end of a private lane. Despite its peaceful location it is conveniently situated for access to local amenities and, for those wishing to commute, to excellent transport links. Internally the property benefits from two good sized reception rooms – one with an open fire and the other with a log burning stove, a kitchen, pantry and utility room. To the first floor there are three bedrooms and a generous family bathroom.

Externally the property has a walled front and side garden and off road parking space at the rear.

Location

Coatflatt Hall Farm is pleasantly and quietly situated, close to the boundary of the Yorkshire Dales National Park, in a small hamlet just 2 miles from Tebay/Junction 38 of the M6 and the A685 linking through to the A66 and A1. Orton is about a mile to the north and provides a small village store and post office, public house, cafe and the famous Orton Chocolate Shop, with a small convenience shop also being available at the nearby Tebay Services. The delights of the Lake District National Park are also within easy reach.
