Hare House

The property:

Hare House is located in a peaceful and picturesque Eden Valley village and is ready and waiting to be discovered by you. This superb 3 bedroom semi-detached barn conversion, offers a unique blend of character, comfort, and contemporary living.

Originally renovated in 2010 by renowned local family firm Willan, the conversion has been finished to high spec standard, with great attention to detail, boasting underfloor heating to the ground floor plus a log burning stove, creating a warm and inviting atmosphere.

The charming stone exterior opens into practical and refined accommodation, with a spacious living room, which flows through via double doors into the beautifully appointed dining kitchen. There is a useful utility room and cloakroom WC completing the ground floor. The first floor benefits from three bedrooms, the principal one being en-suite, plus a family bathroom. Externally you will be pleased to find there is parking for two cars, a private enclosed garden, plus additional patio courtyard area.

This exceptional property offers a harmonious blend of traditional charm and modern convenience, offering a peaceful retreat from the hustle and bustle of modern life, this property is truly a sanctuary for those seeking tranquility and comfort. Arrange a viewing today to experience the magic of this remarkable property firsthand.

Sleagill, Penrith

The location:

ADDITIONAL INFORMATION

Septic Tank

Hare House has a sewerage treatment plant located within its garden boundary, this is shared with two other properties. The vendor has informed us of the following associated running costs: £10 apx. (depending on unit cost of electricity) per each of the three households per month. Payable to the owner occupier of Field View House. £30-40 apx. per year, per three households to cover cost of servicing. The tank requires emptying every 2-3yrs, with the costs (TBC) split between 3 households. We would advise any prospective purchaser to check it complies with current standards and rules introduced on 1st January 2020.

Services

Mains electricity & water, with septic tank drainage; oil central heating; double glazing installed throughout. Please note: measurements are approximate so may reflect the maximum dimensions and the mention of any appliances/services within these particulars does not imply that they are in full and efficient working order.

Referral & Other Payments

PFK work with preferred providers for certain services necessary for a house sale or purchase. Our providers price their products competitively, however you are under no obligation to use their services and may wish to compare them against other providers.
