Welcome to Richmond Villages

We have over 25 years' experience of making people happy in their new homes. From opening our first Richmond Village in 1996, we have continued to provide the most prestigious communities for people to retire to.

So, if you're ready for downsizing (we call it rightsizing), Richmond Villages Warwickshire is a very special place where new beginnings start and quality memories are made.

Move with confidence

As well as the 25 years of experience we have in owning and operating our award-winning villages, we offer you the assurance of being part of Bupa.

Bupa is a global healthcare provider without shareholders. This means we can reinvest all our business profits back into the services we offer, therefore improving the health and wellbeing of our residents.

We are also privileged to be founding members of the Associated Retirement Community Operators (ARCO) and we are proud to lead our retirement communities following the principles laid out in the ARCO consumer code.

Our care services are registered and inspected by the Care Quality Commission (CQC), the independent regulator of health and social care in England.

Royal Leamington Spa, Warwickshire

Retire to Warwickshire

Within easy reach is the town of Warwick and its famous medieval Castle. Just three miles away from Warwick, is beautiful Royal Leamington Spa. Here you'll find street after street of stunning Regency architecture. You'll also discover that both towns have a great reputation for shopping and eating out.

To the east of Richmond Villages Warwickshire is Rugby, famous for its school having been popularised in Tom Brown's School Days and of course as the birthplace of the game of rugby too. Then there's Nuneaton,

Hinckley and Bedworth which have all the facilities you'd expect of a busy medium-sized town, not to mention the greater shopping possibilities of Coventry itself.

From live events to culture and a warm welcome wherever you go, you'll find it in Richmond Villages Warwickshire. The village is situated close to the M1 and the M6 with easy access to both Birmingham and London. Situated between Coventry and Bedworth, Richmond Villages Warwickshire is ideally located in the centre of the country.
