RICHMOND
VILLAGES

Part of Bupa

Welcome to Richmond Villages

We have over 25 years' experience of making people happy in their new homes. From opening our first Richmond Village in 1996, we have continued to provide the most prestigious communities for people to retire to.

So, if you're ready for downsizing (we call it rightsizing), Richmond Villages Cheltenham is a very special place where new beginnings start and quality memories are made.

Move with confidence

As well as the 25 years of experience we have in owning and operating our villages, we offer you the assurance of being part of Bupa.

Bupa is a global healthcare provider without shareholders. This means we can reinvest all our business profits back into the services we offer, therefore improving the health and wellbeing of our residents.

We are also privileged to be founding members of the Associated Retirement Community Operators (ARCO) and we are proud to lead our retirement communities following the principles laid out in the ARCO consumer code.

Our care services are registered and inspected by the Care Quality Commission (CQC), the independent regulator of health and social care in England.

The Cotswolds

Retire to Cheltenham

Cheltenham is a regency spa town in Gloucestershire, on the edge of the picturesque Cotswolds region of England. This sought-after location has an exceptional range of boutiques, cafés, bars, restaurants and notable landmarks including regency buildings, Pittville Park and Pump Room and Cheltenham Racecourse. Well known for its abundance of festivals and horse racing events, Cheltenham exudes a thriving cosmopolitan culture.

Our purpose-built retirement village is well-located just off the A40, adjacent to the Cheltenham Film Studios and the event venue Manor by the Lake.

The village has been designed sympathetically to its attractive woodland setting and nestles in a quiet and peaceful spot with wonderful views of the majestic trees that surround the building.

"As a family we are now enjoying visiting our parents, eating in the restaurant, and appreciating the grounds. Dad's comments are, 'I wish we had done this five years ago'."
