## OUR SUPPORT & CARE TEAMS

At Richmond Villages we are proud to have our very own on-site Domiciliary Care Teams registered with the Care Quality Commission (CQC). The Richmond Villages' team offers support and personal care to people living in their own homes at Richmond Villages, as well as to those staying with us on a Richmond Retreat break.

The amount of help received can vary from a couple of hours a week, to several hours every day, dependent on individual needs.

All support and care packages are bespoke and charged at an hourly rate.

Care is provided on a scheduled basis and is not an on-demand service, unless in an emergency.
