Richmond Wood Norton

Welcome to Richmond Villages

We have over 20 years' experience of making people happy in their new homes. From opening our first Richmond Village in 1996 we have continued to provide the most prestigious communities for people to retire to.

So, if you're ready for downsizing (we call it rightsizing) Richmond Wood Norton is a very special place where new beginnings start, and quality memories are made.

Move with Confidence

As well as the 20 years of experience we have in owning and operating our villages, we offer you the assurance of Richmond Villages being part of Bupa.

Bupa is a global healthcare provider without shareholders. This means we can reinvest all our business profits back into the services we offer, therefore improving the health and wellbeing of our residents.

We are also founder members of the Associated Retirement Community Operators (ARCO) and aim to operate our retirement communities according to the principles laid down in the ARCO Consumer Code.

Our care services are registered and inspected by the Care Quality Commission (CQC), the independent regulator of health and social care in England.

"Thank you all for making me so welcome and comfortable in my new home. You should all know that you have restored me to the enjoyment of a full, happy and active life"

Retire to Wood Norton

Set in the heart of the Worcestershire countryside, close to the old riverside market town of Evesham is Wood Norton. Steeped in history and culture, rich in architectural heritage, the charming vibrant market town of Evesham effortlessly blends the past with the present.

From the tranquil banks of the River Avon to the undulating hills and peaceful wooded slopes of the Cotswolds, the Vale offers some of the prettiest countryside in the United Kingdom.

The quaint town of Pershore is 10 minutes to the west of Wood Norton and the historic city of Worcester is just 25 minutes away as is William Shakespeare's Stratford-upon-Avon. Also close by is the Georgian town of Cheltenham and with the centre of Birmingham just under an hour's journey by car, it's easy to see the appeal of this great location.

But, it is not just cities that are there to be visited. The Worcestershire and Cotswold countryside offers many places to be discovered and enjoyed. One thing is certain, whatever you do – you won't regret a move to Richmond Wood Norton.

How it Works

Village Centre

Village Apartments

Apartments are a one- or two-bedroom option for residents who would like to live within the wider Village environment but are looking for a way to live independently with a wealth of wonderful facilities on their doorstep.

Village Suites (Available to buy or rent)

The Village Suites are also one- or two-bedroom properties, with an en suite shower room, lounge-diner and kitchenette.

Lifestyle Packages

Village Suites are complemented by lifestyle packages which take care of your meals, laundry, housekeeping and utility bills.

Care Packages

Our domiciliary care team can provide you with long- or short-term support with bespoke care packages. We offer support tailored to your needs and can help you deal with sudden illness or injury, recovery from an operation or when a more permanent change in your health has occurred.

Why it Works

Many of our residents confess, after moving in, that they wish they'd moved into a Richmond Village years ago.

By downsizing, or 'rightsizing' as we like to say, many everyday worries and concerns can disappear. You can live in a beautiful property that is low maintenance, very safe and secure whilst enjoying a true sense of community with like-minded neighbours – like it used to be!

All Richmond Villages have beautifully landscaped gardens and terraces for you to sit in and enjoy without the bother of mowing, weeding or paying a gardener. The integral spa has a wonderful range of facilities, holistic treatments and exercise classes just a stone's throw away from your front door, so you can keep fit and well in your retirement.

If you've become worried about driving, let us transport you to local appointments and shopping trips with our fleet of Richmond vehicles.
