**£895,000**

A superbly positioned detached residence set in just over 6 acres of land, and situated within a "stone's throw" of the beach to enjoy unrivalled and panoramic views over Red Wharf Bay, up the coast towards Moelfre and Point Lynas on the north east tip of the island. Rarely does a beachfront dwelling become available in this area which is one of Anglesey's best but quietest beaches at the eastern most side of Red Wharf Bay. With the availability of a large stable block and 6 acres of land, the property offers excellent potential for many alternative uses in this superb location, and perfect as an equestrian centre surrounded by many bridlepaths, and access to the beach, and within an Area of Outstanding Natural Beauty. The house is in need of full modernisation, but there is great potential to renovate the existing house or alternatively demolish the existing dwelling and rebuild if preferred, subject to planning consent.

An exciting opportunity for the discerning purchaser to acquire a forever home in an outstanding location.
