SUMMARY

Copperhouse Green is a vibrant new mixed-use development in Central Dartford comprising 549 new residential units and four commercial units fronting Lowfield Street. The scheme is conveniently positioned to take advantage of Dartford's excellent amenities, green spaces, and transport connections. The commercial units will benefit from excellent foot traffic, owing to a heavily pedestrianised town centre and the 26 acres of riverside and landscaped gardens on offer in Dartford's Central Park, which is located just behind the development.
