Driftwood, 2 Highland Park

Redruth, TR15 2EX

£350,000

Driftwood is an excellent example of a recently updated and extended detached family sized bungalow. Since purchased, the owners have fitted a new kitchen and bathroom, built an extension to the rear and generally upgraded the property. To the front you will find a large tarmac hard standing with plenty of parking and turning space leading to a garage with an electric up and over door. To the other side of the property is a purpose built workshop. The rear garden is particularly sheltered and well enclosed with lawns, patio areas and designed for low maintenance. Internally there is a recently constructed porch, a hallway, a lounge with a gas log effect fire, three bedrooms and a bathroom with a modern spa bath and shower. The kitchen has been extensively remodelled with fitted appliances and this leads via a peninsular unit to a lovely dining room/conservatory/sitting room. There is a door from here to quite a long laundry room which opens up to the garage. Over the years the vendors have redecorated and improved the home and Highland Park has always been a much favoured location. It is situated on the fringe of Redruth town giving access to A30 and Sandy Lane leading to the main Falmouth road. We strongly recommend an internal viewing.
