23 Pendarves Road

Camborne, TR14 7QF

Guide price £349,950

Set back from the road in a very popular residential location, this is a substantial bay windowed end terraced house with much to commend it. The accommodation offers four bedrooms and to the ground floor there are two reception rooms, both with substantial marble fire surrounds and the hallway has a lovely coved ceiling. To the rear there is a kitchen and a utility room plus a bathroom and to the first floor there is a shower room. The property has gas fired heating and double glazing. The internal doors are stripped back to natural pine, the inner front door is very substantial and certainly complements the house which also has sweeping stairs to the first landing. A fold-away loft ladder gives access to an attic area with a Velux window and is approximately two thirds boarded with power connected. Externally there is gravel parking for four to five vehicles and double side gates lead to a further area of parking if required. To the rear there is a very substantial outbuilding with several windows and power connected. There is also a store shed, a garden shed and a greenhouse. Pendarves Road is on the Praze An Beeble side of Camborne and gives good access to open countryside and woodland etc. The town centre is within approximately half a mile level as is the railway station and bus depot.
