## Willow Cottage

Tarewaste, Redruth, TR15 3SJ

**£395,000**

Offered with the bonus of a lovely wooded copse area which is a feal feature, this property has recently been the subject of considerable updating. The character semi detached cottage is tucked away and benefits from lovely views to Carn Brea. It has two bedrooms, a lounge, second reception room, a well appointed kitchen/diner with fitted appliances, a utility room and shower room. The property is double glazed and this is complemented by electric heating. Externally there is an enclosed front garden and a gravelled parking area.

Tucked away at the end of a small no-through road, this is a charming semi detached home which has recently been the subject of updating and improvement. An internal inspection will provide two bedrooms to the first floor, both having outstanding views towards Carn Brea. To the ground floor there are two separate living rooms and a well appointed kitchen/diner, a utility and a shower room. Some three or four years ago, the property was subject to considerable updating and the property has been double glazed. It also has a wet central heating system using an electric boiler and extra heating is provided by a wood burner. Externally there is a generous enclosed front garden and parking for several vehicles. A gate leads to a lovely wooded copse area which has been carefully cultivated by the owner and in our opinion is a very important feature of the home. It is not often that we are able to offer properties such as this and it is tucked away from the main road with the lane only serving two other properties.

#### OUTSIDE

To the front of the property there is a patio area taking full advantage of the sun and there is a custom made garden shed. There is a well enclosed lawned area with various borders and steps leading to gravelled parking facilities for several vehicles. Just across a small lane is a gate leading to the copse. We are given to understand that the total area of land including the cottage is approaching one acre. The land has been the subject of a lot of work over recent years and has been cleverly coped, has various trees, lawns, natural gardens and shrubbery. It is well enclosed and in our opinion is a most important part of the home. We do not often find properties with such an added bonus. There is a pedestrian right of way over the front of the next door property.

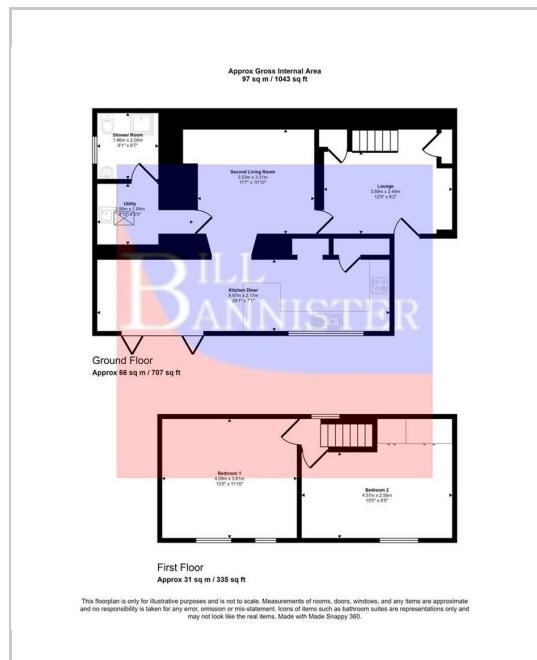

#### DIRECTIONS

From our office in Redruth turn left into West End and follow the road all the way down to Blowinghouse roundabout. Take the second exit onto the old bypass and turn left by Tremethick House care home into Tarewaste. Follow this road all the way down and you will come to the property in front of you identified by a For Sale board with gravel parking facilities.
