## 19 Chili Road

Illogan Highway, Redruth, TR15 3JP

**£229,950**

Situated in a popular residential location, this very well presented terraced cottage is offered for sale with no onward chain. The property benefits from two bedrooms, a lounge, fitted kitchen/diner, a useful utility and a shower room. It is double glazed and this is complemented by gas heating. Externally there is parking to the front for two vehicles and a well enclosed rear garden with the bonus of a studio and an attached block built shed.

Offered for sale with no onward chain is this well presented two bedroom terraced house with off road parking and a studio. The property has been modernised with a lounge, a kitchen/diner, utility, shower room and two bedrooms. The lounge has two shelved recesses and stairs to the first floor. The kitchen has a good range of storage units with space for a small table and the shower room has a vanity unit with useful built-in storage. Both the bedrooms have built-in wardrobes and the master has a recess which is currently used as a dressing area (the vendor informs us this could potentially be turned into an en-suite with a WC and basin). The garden to the rear is well enclosed and in our opinion is a good size with a lawned area, two patios and a useful studio with power connected plus an attached block built storage shed. To the front there is the benefit of off road parking for two vehicles.

Situated in the popular location of Illogan Highway with a Co-op shop at the end of the road, a primary school and bus services. A range of supermarkets are also nearby plus the A30.
