Sales & Lettings

36 Highland Park

Redruth, TR15 2EX

Guide price £299,950

Offered for sale with no onward chain, this detached bungalow benefits from well proportioned accommodation with two/three bedrooms, a lounge, a fitted kitchen/diner and a shower room. It has gas heating and this is complemented by double glazing. Externally there are generous well stocked gardens, a garage, driveway parking and a useful block store room.

Highland Park has long been a popular residential place in which to live and the property is being offered with the benefit of being chain free. Over the years it has been extended and now offers a lounge, a well appointed kitchen/diner and two bedrooms plus an extensive extra room that would adapt to various ideas of family living. We feel this is a distinct bonus and if it were used as a lounge the other room could be used as an extra bedroom if required. The kitchen is fitted with various gas and electric appliances and the property has the benefit of double glazing. This is complemented by gas fired heating using a combi boiler. Externally there are well tended gardens which have been well stocked over the years and to the front there is a lawned area with a driveway leading to the garage. The rear garden is particularly generous being well enclosed and extends for quite some way. There is plenty of scope here for the keen gardener and it also has a useful block store room.
