Milnor Cottage is a pretty semi detached home standing in very good sized gardens that have been well tended over the years. For sale with no onward chain, the property has two bedrooms both with fitted wardrobes, a generous entrance porch, two reception rooms, a kitchen and bathroom. In addition to the double glazing there is part central heating to the ground floor. Externally it really is a sight to behold where for many years the previous owners have lovingly tended the gardens and made it a picturesque piece of ground. There is also a garage, plenty of parking and a birdhouse. Situated in a very popular location, it gives access to bus services, shopping facilities and also the north coast.

There are lawns, patios, hidden garden areas and a profusion of borders that over the years have been well stocked. There are some specimen trees and a birdhouse. GARAGE with double doors and extra parking to the front. In our opinion the gardens are a most important feature of this property together with the fact that there is no onward chain.
