Situated down a private driveway, we come to this very well presented detached bungalow having been in the same ownership for many years. It is heated using an LPG gas system and this is of course complemented by double glazing. There are three bedrooms and a lounge with a good open aspect and patio doors to the outside. There is also a separate dining room which could be used as a fourth bedroom if so required. The kitchen is equipped with appliances and offers plenty of storage facilities. There is a family bathroom with a separate shower cubicle in addition to the panelled bath. A cloakroom is also provided. Externally there is plenty of parking and the lovely grounds are lawned for the most part and are estimated to be approximately 1.3 acres. Obviously there are endless possibilities here for the keen gardener, there are several outbuildings and the site is well enclosed. Situated in a pleasing rural environment, it is perhaps three quarters of a mile from Praze village with facilities and Camborne town is within two and a half miles. In our opinion, this is a very interesting proposition for those wishing to have family sized living but also such potential with the grounds.

## OUTSIDE

In addition to the garage there is plenty of parking and turning available. The plot is rectangular being generally very well enclosed with some formal lawns and we understand it to be in the region of one and a quarter acres. There are two outbuildings and a focal point pond. We feel that someone interested in perhaps keeping animals or taking up intensive gardening, then this must rank high on the list.

From Camborne town take the Helston road towards Praze An Beeble. Passing the Old Shire on your left continue for approximately a mile and the road bends to the right and starts to climb. You will see a For Sale board on the left and turn immediately left into the driveway.
