This is a fine example of an early Victorian residence with much to commend it. Offering spacious living with character and modern facilities it is an ideal family home. Some open beam and joist ceilings are found in three of the bedrooms and the rear has a dressing room. There is a snug sitting room ideal for those winter evenings and it has a multi fuel stove. The kitchen/dining room has slate flooring and a Woodstock kitchen with some internal lighting. A multi fuel stove heats the room and a fine staircase takes you to the first floor and four bedrooms. The bathroom has been completely re-modelled with a traditional Slipper bath and a separate shower cubicle. Special lighting enhances a large mirror. Modern electric radiators provide warmth and an oil boiler heats the water and two radiators. UPVC sash double glazed windows add to the traditional feel. There are also solar panels which are owned. There are some deep sills ideal for sitting and looking out on the village. Internal doors have been brought back to pine. Outside there is parking and a lovely private front garden thoughtfully laid out and also having a summerhouse. To the rear the former garage has been turned into a store room. Carharrack village offers a shop, a takeaway and bus services.
