Tregenna West Park

Redruth, TR15 3AJ

Guide price £350,000

Tregenna is a substantial detached bungalow standing in what we consider to be a very generous plot. From the front elevation there are views to Carn Brea Castle and Monument plus surrounding areas. Properties do not often come up for sale in the West Park area and this property has the benefit of no onward chain. Internally a hallway leads through to a lounge, a separate dining room and quite a substantial triple aspect sun room. There are two bedrooms and an area that could be used as a self contained annexe with two rooms plus a shower room. There is a kitchen and also a family bathroom with a separate wc. The property is double glazed and has gas heating. Now ready for refurbishment to your own ideas and design. Redruth town is within approximately two thirds of a mile and here you will find shopping facilities, bus services and a main line railway station. Access to the A30 is within perhaps half a mile.
