Sales & Lettings

Lower Crane Farm Cottage

Cranberry Road, Camborne, TR14 7PX

£224,950

Now in need of renovating and offered for sale with no onward chain, this detached house benefits from family sized living accommodation with many character features. There are three bedrooms, two receptions, a first floor bathroom and the bonus of a ground floor shower room. The property has some double glazing, gas heating and night storage heaters. Externally there is parking for several vehicles and south facing rear courtyard style gardens.

Sited on a quiet lane towards Camborne Rugby Club, we are very pleased to bring to market this three bedroom detached property with much potential and offered with no onward chain. Although requiring renovating, internally, this house boasts many original features including beamed ceilings throughout and two traditional fireplaces albeit one requiring attention to re-instate. Subject to the appropriate planning consent, this house presents a fantastic opportunity to develop what is already a very good sized home including the potential addition of either an en-suite or the division of the larger bedroom into two to upgrade to four bedrooms. Other areas that could be enhanced would be the kitchen and utility area as well as some of the outdoor space given the size of the footprint. There is a family bathroom on the first floor complemented by a shower room on the ground floor. Externally, to the front there is parking for at least five vehicles whilst the enclosed south facing rear courtyard garden gives much privacy. In terms of location, the property is very well placed in terms of schools with both the local academy and junior schools within a short walking distance. There is a major supermarket within a fifteen minute walk and the many amenities of Camborne town centre are all within walking distance or a short drive. The A30 trunk road is within a five minute drive.
