Sales & Lettings

4 Trevince Parc

Carharrack, Redruth, TR16 5QX

Guide Price £259,950

Situated in a popular residential area, this semi detached bungalow benefits from adaptable accommodation and is offered with no onward chain. There are two bedrooms, an open plan lounge/diner with fitted appliances, a family shower room and the bonus of three conservatory areas. Externally there is a garage with a useful adjoining study/workshop, driveway parking and gardens to both front and rear.

With no onward chain and situated within a quiet neighbourhood in the village of Carharrack, we are pleased to be able to offer for sale this particularly unique two bedroom bungalow and as such, an early viewing is recommended. The standout feature of this property is its interconnection in that there is natural flow linking all living areas. This bungalow also benefits from solar panels. On entry to the property, you will find yourself in the bright open plan kitchen/diner which offers a good social space and comes well equipped in terms of storage and some integrated appliances. An internal hallway thereafter connects the lounge/living room, both bedrooms and a family shower room. From the second bedroom, one can access the main conservatory to the rear via internal patio doors which in turn leads to a second conservatory that connects both the very useful garage/art workshop/study and the third walk-through conservatory which then returns one to the kitchen/diner. Externally, the rear garden is of a manageable size with a gravelled area with a greenhouse leading to a raised decked patio. The front garden is made up of well established shrubbery, offering year round interest and a sense of privacy to the property. Furthermore, the driveway can accommodate parking for one vehicle with additional parking on the road. Carharrack is well served by local bus routes and offers amenities including a convenience store, a Chinese takeaway and other services. There is a children's park nearby and the local village hall, which we understand holds regular local events, is also within a short distance. Within a twenty minute walk or short drive, there is a neighbouring village, St. Day, which has two convenience stores, a Post Office, butchers, pharmacy and a public house. Furthermore, the location offers many local countryside walks and the village is equidistant to both Falmouth and Truro. It also has nearby coastlines and many beaches within easy reach.
