Sales & Lettings

7 Sidney Terrace

Redruth, TR15 2EU

£185,000

Offered for sale with no onward chain, this end terraced house would now benefit from updating and modernisation. The family accommodation offers three bedrooms, a lounge, dining room, kitchen, a rear porch and a family bathroom. It is double glazed and this is complemented by gas fired heating. Externally there are gardens to both front and rear with mature bushes and shrubs.

Occupying an elevated position and therefore benefiting from delightful coastal views, this three bedroomed property is in a particularly convenient location for Redruth town centre, mainline railway station and local bus services. In need of some modernisation, internally, a staggered hallway gives access to all of the ground floor living areas. There is a lounge/living room to the front with a second reception come dining room to the rear which offers open access to the kitchen area. From the kitchen, there is a rear porch that gives access to the garden at the back of the property. To the rear of the ground floor, you will find a family bathroom that has the added benefit of a separate shower cubicle with an electric shower. The first floor is accessed by a switchback staircase with quarter landing and this is where you will find the three bedrooms, two of which are positioned at the front of the property and benefit from splendid far reaching views towards the North Coast of Cornwall. Externally, the rear garden is raised and primarily laid to lawn whilst the front garden has a small patio area from where one can take advantage of the far reaching views. In terms of location, Redruth town centre, which offers both independent and chain stores, cafes, a cinema and public houses, can be accessed in less than ten minutes on foot or via a short drive. The main line railway station in the town gives links to London and bus services to Truro and Falmouth. Further afield, Portreath Beach on the north coast is within fifteen minutes drive as well as many other local beaches and attractions being nearby.
