# Chy An Lur

Blowinghouse, Redruth, TR15 3HB

**£369,950**

Offered with no onward chain, Chy An Lur has benefitted from recent modernisation and investment, and boasts deceptively spacious, adaptable accommodation.

An entrance hallway leads into the lounge, which in turn opens through to a generous dining room, all retaining attractive original wooden floors. To the rear of the property is a well-appointed kitchen, enjoying rural views across the valley and direct access on to the patio and rear garden. Also on the ground floor is a large double bedroom with an extensive range of wardrobes and built-in storage, together with a family bathroom fitted with a corner bath and separate shower cubicle.

To the first floor are two attic rooms, each accessed from the landing and benefitting from Velux skylight windows, providing bright and flexible additional accommodation.

An added bonus is the large basement, with two rooms recently lined and currently used as a games room and snug, with further cellar areas offering excellent storage and development potential.

The property benefits from a gas fired heating system and double glazing, with additional radiators added in 2023. The roof was replaced in July 2024. Externally a substantial electric gate, operable remotely, opens onto a large, gravelled driveway providing parking for numerous vehicles. To the rear is a fully enclosed, unoverlooked sunny garden, mostly laid to gravel for ease of maintenance and featuring a raised patio area accessed through the kitchen, and pretty rural views over the Tolskithy Valley. Further features include additional storage areas, with access gates, either side of the house, private stepped access to the valley below and a vegetable bed.

Chy An Lur is most conveniently sited on several bus routes and is just three miles from the coast with its wonderful beaches. The A30, Redruth town centre and the main line railway station are approximately one mile away, while shops, Barncoose Hospital and Redruth School are within easy walking distance.

We understand that planning permission was granted under PA22/06097 for a hip and gable roof replacement providing two en-suite bedrooms upstairs. This planning has now lapsed and would need to be renewed.
