PEOPLE MOVERS.

It's easy to get around town, with Old Street station just a minute's walk from the building.

The transformation of Old Street roundabout will make it a more pedestrian and cycle friendly area, with a new public space in a peninsula around the station – as well as a new station entrance expected by spring 2023.

With the arrival of the Elizabeth line on May 24th at Liverpool Street station, this will further reduce travel times across London and beyond.
