## MAIN COURSE

Tucked away in a quiet village location, this smartly refurbished two-bedroom house offers modern living with a homely feel.

On the ground floor, the light entrance hallway leads through to a contemporary kitchen with space for a washing machine, dishwasher, and fridge/freezer. The spacious living room opens onto the garden through bi-fold doors, bringing the outside in and creating a great space for relaxing or entertaining.

Upstairs, the main bedroom is a generous double overlooking the rear garden, while the second bedroom is also a comfortable double. The bathroom has been newly fitted and includes a shower over the bath.

Outside, the garden is paved for easy maintenance and bordered by mature shrubs. There's also a garage, which is accessible directly from the garden.
