Kate Brookfield x Vita Properties

present this design-led family home on Mount Pleasant Road, nestled between the vibrant communities of Queen's Park and Kensal Rise.

Designed in collaboration with award-winning architects Turner.Works, this unique semi detached house strikes a balance between considered interior architecture, minimal finishes, and inviting family spaces.

Inside, polished Steyson concrete floors are grounded by soft white hues and offset by the organic tones of the custom-made iroko wood frame of the floor-to-ceiling glass façade. Bespoke Hafele doors open across the breadth of a mature English garden, flooding the reception with greenery and light.

At the heart of the home is an expansive open-plan kitchen, dining and living area, thoughtfully configured for effortless family life. With a palette of stainless steel and high-gloss Binova cabinetry, the kitchen incorporates a Wolf oven for optimal functionality, while a pocket door leads to a tranquil study,

Subtle zoning allows for cooking, dining, and relaxing to unfold naturally, and a separate utility room neatly conceals the practicalities of family living. The home also benefits from a bright studio space on the ground floor, complete with its own entrance, kitchenette and en suite, as well as off-street parking for two cars.

Upstairs, four bedrooms are arranged over two floors. The principal suite offers a peaceful retreat, bathed in sunshine and complete with a beautifully appointed en suite featuring a large rainfall shower. A second bedroom also enjoys its own en suite, while the remaining two bedrooms share a spacious family bathroom.

"I was very impressed with Vita and their network of buyers. When the sale of my flat fell through (twice) they worked extremely hard to find new buyers in a difficult market - thank you!"
