Summary

Situated in the highly prestigious and sought-after Tranmere Park area of Guiseley, this detached dormer bungalow presents a rare and exciting opportunity for the discerning purchaser. In need of modernisation and development, the property offers enormous potential to create a truly remarkable home, particularly given its generous plot and outstanding rear garden – one of the finest we have ever seen on Tranmere.

The internal accommodation is well-proportioned and begins with an entrance porch leading into a spacious dining room/reception hall. From here, access is granted to a large lounge and a bright conservatory, offering lovely views over the garden. The fitted kitchen is accompanied by a separate utility room for added convenience. The ground floor also houses a generous master bedroom with an ensuite bathroom.

Upstairs, the first floor offers two further double bedrooms, a house bathroom, and a large study/landing area complete with eaves storage – ideal for home working or potential reconfiguration, subject to the necessary consents.

Externally, the home enjoys off-street parking to the front and side for several vehicles, along with a detached garage. The rear garden is a truly exceptional feature – beautifully maintained with lawned and paved areas, mature trees, well-stocked borders, and hedges that ensure a high degree of privacy.

Offered to the market with no onward chain, this is a rare chance to secure a home in one of Guiseley's most desirable addresses, with the scope to renovate and extend to personal taste (subject to planning). Early viewing is highly recommended.
