PROPERTY SUMMARY

| Spacious 3-Bedroom Terraced House | Recently Renovated | Available from Early November |

This deceptively spacious three-bedroom terraced home offers generous living accommodation, modern updates, and a highly convenient location close to Coventry city centre. Located on Widdrington Road, the property offers easy access to Coventry city centre, Coventry University, local shops, schools, and public transport, including bus routes and Coventry train station. Major road links such as the A444 and M6 are also within easy reach. Recently renovated and with further improvements planned, the property combines character and comfort, making it an excellent choice for families, professionals, or sharers.

Upon entering, you're welcomed by a bright hallway which leads into an airy front reception room, perfect as a lounge or living space, followed by a second reception room ideal for dining or as a family room. The modern fitted kitchen offers ample storage, worktop space, and easy access to the rear garden.

Upstairs, the property features three spacious double bedrooms, each neutrally decorated and filled with natural light, alongside a newly tiled shower room.
