There are also trails leading from near the property through Ocombe Valley Nature Reserve.

The nearby village of Marldon offers a comprehensive range of village amenities including shops, public houses and primary school. Torquay, Paignton and the English Riviera are within easy reach, as are the beaches of the wider Tor Bay area. The medieval town of Totnes is some 5 miles away, and Dartmouth is also easily accessible via the car ferry at Kingswear.

This barn is a deceptively spacious and light barn conversion on a corner plot affording it a great deal of privacy within the development. The house has been extensively refurbished by the current owners and the property comprises briefly of three bedrooms (two with ensuite facilities) and a potential fourth bedroom if desired, a spacious sitting room connected to the dining room, a well-appointed kitchen with a large central island, two allocated parking spaces plus a garage, landscaped gardens and a garden chalet.

## ACCOMMODATION

A glass panelled front door opens to a bright entrance hallway, tiled for ease of maintenance, which leads on the left to the sitting room. The sitting room is a well-proportioned and neutrally decorated space with ample room for a three-piece suite and a feature electric fireplace hanging on the wall. Through a large opening in the sitting room is the dining room with stylish downlit bar area. If desired, the dining room could very easily be closed off to create a downstairs bedroom. There are two store cupboards on this level with useful cloaks and utility storage. Opposite the front door is a downstairs WC with wash hand basin, with skylights thoughtfully built into the staircase above to make this a lighter space. To the right of the entrance hall are steps leading up to a large kitchen with cream-coloured floor-and-wall-mounted units, granite worktops, a large central island with storage and a wine rack built in, five-ring gas hob with extractor fan over, double eye-level ovens built-in, white Belfast sink with stainless steel tap over, and space for an American-style fridge/freezer. The principal bedroom is on the first floor of the home enjoying stunning countryside views and ample built-in storage and shelving, as well as ensuite facilities comprising of WC, wash hand basin, and shower cubicle. Bedroom three across the hall is also a generous double bedroom with built-in storage and characterful beams above the bed. Stairs rise to a half-landing where bedroom two is situated, also boasting a modern ensuite shower room. The family bathroom is located between bedrooms one and three, and comprises of a bathtub with shower over and glass screen, wash hand basin with storage under and an illuminated mirror above, WC, and a useful ledge at the edge of the bathtub for storage of shower accessories.
