SITUATION AND DESCRIPTION

Immaculately presented three bedroom detached Bungalow boasting a light and spacious feel with large windows characteristic to this 1970's style of build which flood the internal space with natural sunlight. Well presented throughout the property is a credit to the current owner who has maintained the Bungalow to a high standard throughout and would make an ideal home for anyone looking to buy in the local area. The property briefly comprises of three bedrooms, modern shower room, living/dining room and contemporary fitted kitchen. Ample parking to the outside and a detached garage with low maintenance gardens, whilst having close access a small parade of shops and to Ten Acre Brake and Scadson Woods with miles of scenic walks and a mountain bike park, which can be accessed via a nearby path.

The property occupies a magnificent location being situated in the popular Livermead area of Torquay, close to the coast. This pretty residential area is sandwiched between the beach and the Cockington Valley. The nearby medieval village of Cockington is noted in the Domesday Book, and surrounded by country parks and woodland, which are perfect for long country walks. The seafront is a short distance away and half a mile or so along the sea front is Torquay marina. The area is famous for year round water sports and renowned for its naturally mild climate and award winning beaches.

There are first class educational facilities on your doorstep; a short distance away is Preston Primary School and within a couple of miles are Torquay Boys and Girls grammar schools, as well as a number of well-regarded state and private sector schools.

Torquay is well served with rail links to the major cities. The recently opened South Devon Link Road gives easy access to the motorway network and Exeter airport has flights to many European and international destinations.
