SITUATION

McKane Place is within walking distance of Dunfermline town centre with all its amenities. Dunfermline is located approximately five miles north of the Three Bridges and is particularly popular with commuters to Edinburgh and many parts of the central belt. Easy access can be gained to the M90 motorway with its direct links to the north and south of the Forth and Kincardine bridges. Dunfermline holds much historic interest and features a full range of shops, social and leisure facilities and educational establishments associated with a modern town. The local railway stations provide regular services to Edinburgh with intercity links to other parts of the UK. There are regular and convenient bus services both local and national with park and ride facilities available at both Halbeath and

Inverkeithing. Schooling of good repute is available for both primary and secondary education.
