### **DEVELOPMENT OPPORTUNITY**

The property includes four industrial steel portal framed outbuildings, a lean-to and large glasshouse presenting an opportunity for residential conversion or redevelopment of a small-scale executive style development subject to planning.

The outbuildings measure approximately 9,093 sqft of space and could either be utilised under their existing use for storage purposes or redeveloped. This is ideal for operating a family business from home or for redevelopment. Unit 1 has solar panels fitted to the roof.

#### OUTBUILDINGS

No	Size (GIA)
1	270 sqm (2,906 sqft)
2	120 sqm (1,291 sqft)
3	170 sqm (1,829 sqft)
4	150 sqm (1,614 sqft)
Glasshouse	135 sqm (1,453 sqft)
Total	845 sgm (9,093 sgft)

The land has good frontage onto Lower Street which presents further opportunity for residential development subject to planning, given the residential setting. The site does not suffer from a negative planning history.

The property is unconstrained by planning policy as it is not subject to a Green Belt designation or Conservation Area. The property is not constrained by listed building or heritage constraints. The property does have individual and group TPO's. A small segment of the site to the northern boundary is within Floodzone 3 though majority of the site is in Floodzone 1. The site benefits from existing built structures and hard surfaces associated with the existing use constituting an element of previously developed land.

The property is currently accessed off Lower Street with further opportunity to provide an independent access to service any residential redevelopment, subject to planning. Please refer to the technical drawings for indicative access plans which adheres to North Northamptonshire design guide requirements.

#### PLANNING POSITION

The East Northamptonshire Local Plan Part 2 was adopted in 2023 however, the site's limited physical and policy constraints provide a good opportunity for redevelopment of the commercial outbuildings to residential use. Given the status of this part of the property as previously developed land and the prioritisation of brownfield development in the National Planning Policy Framework.

The Great Addington Neighbourhood Plan has been submitted as part of the Regulation 16 Consultation with representations now being assessed.
