On the first floor, the landing gives access to three separate bedrooms of classic proportions offering two double and one single bedrooms, and a fully tiled three piece bathroom with shower over bath. Outside, the open frontage provides driveway parking for several vehicles with a side gate leading to a useful side storage room with doors front and rear, light and power. To the rear of the home, the enclosed rear garden has been landscaped with low maintenance in mind with established trees and bushes providing a good level of seclusion. A sizeable paved patio spans the rear and continues to the side of the property also with a path leading through artificial lawned areas to two shed/outbuildings currently used as a gym and a workshop.
