The exterior is a particular feature of this home, with a landscaped rear garden extending to approximately ninety feet, mainly laid to lawn with mature shrubs and planting to the borders. A patio adjoins the house, while a further entertaining terrace is positioned three-quarters of the way down the garden, creating an ideal setting for al fresco dining and family gatherings. Gated side access leads to the front of the property, which boasts a generous driveway providing off-road parking for approximately four vehicles, as well as access to the integral garage complete with light and power.

Lovingly maintained by the current owners, this fine property is a true credit to them and offers an exceptional opportunity to acquire a substantial detached home in a highly sought-after location. An internal viewing is strongly recommended to fully appreciate all that this impressive home has to offer.
