PURCHASE A PIECE OF PONTCANNA HISTORY! - Rare to the market as owners simply don't move due to the garden size and parking available. JeffreyRoss are proud to bring to the market one of the first properties to be built in Pontcanna! (Approx 1870s) This incredible 3 storey family home is steeped in History for the area and is simply a joy to walk around. The property briefly comprises Entrance Hallway, 2 good size reception rooms with feature fireplaces, and an extended and impressive Kitchen / Diner that opens onto one of the largest South facing gardens you will find in the area. To the first floor are three impressive double bedrooms with the master suite to the rear that benefits an ensuite and family bathroom to the front. To the second floor in an impressive fourth bedroom with vaulted ceilings and exposed beams currently used as a home studio and office. To the front is driveway parking which is extremely rare for the area. The garden is approx 100ft and to the rear of the garden further benefits a garden office. This is a well maintained and extremely loved family home and one that is our pleasure to list.
