

New Hall Farm, Sheffield, S36 4AE

Offers Around £695,000

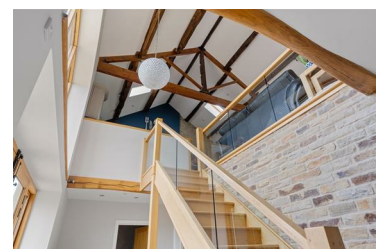

The Hay Barn forms part of this stunning gated conversion that was finished in 2016 and which has been constructed to the highest of standards and the most exacting of finishes. New Hall Farm dates back to the early 1700's and was once a thriving dairy farm which was subsequently converted by a renowned local builder / developer who has breathed new life in to these beautiful stone buildings. The property occupies a stunning rural location on the fringe of The Peak National Park, with far reaching views yet lies within a twenty minute drive from The Motorway Network
