Estates & Lettings

Queastybirch House Summer Lane, Hatton, WA4 4DG

We are delighted to offer to let on an unfurnished basis this substantial three bedroom barn conversion. The property is adjacent to a working dairy farm and is set in a very attractive rural location.

On entering the Barn the double storey entrance area has exposed wooden beams and a majestic open stairway with landing/sitting area. The large lounge extends beyond and has a large log burner further enhancing the character of the building.

There is a kitchen and separate utility room with appliances provided. Beyond the lounge is a bedroom with en suite and dressing area. There are two further bedrooms upstairs both with en suites. The master bedroom benefiting from a walk through wardrobe.

Externally there is parking for several vehicles and the rear garden has a large lawned area and hard standing patio.

This quite individual property must be viewed to be appreciated.
