A brick-fronted, Victorian flat with a large garden, recently renovated to an excellent standard. Through the private entrance, all rooms lead off a central hallway. The heart of the home is the kitchen-reception room at the front of the house, where the space is cleverly divided by a kitchen counter. There's a dining area and plenty of room to relax too. And the space is flooded with natural light from the bay window.

The kitchen is modern and sleek and like all areas of the flat, is ready for your character to bring it to life.

The rear garden is a huge bonus, it's laid to lawn and has the potential to be as simple or as complex as you choose, but it's a generous space to work with.

The bedrooms are both doubles, divided by a contemporary family bathroom with good storage space. Everything in the flat feels fresh and solid. Ready for you to walk into and start enjoying. In the Upper Walthamstow area you can enjoy all the amenities of E17, along with the benefits of living close to the natural green expanses of Epping Forest and Hollow Ponds, ideal for walking, cycling and running. There's a variety of local schools within walking distance too, and easy transport links. Wood Street station's a 5 minute walk away with a train to central London every 15 minutes, you're also close to the buzzier side of Walthamstow village with its independent shops, cafes, restaurants and pubs. Plus local museums, parks and markets. A turnkey property, chain-free in Upper Walthamstow, shall we take a look?
