An attractive, purpose-built, double bedroom flat in a popular area, close to Walthamstow village, with excellent transport links.

This is a simple and solid home with good floors, and with being purpose-built you get the benefit of a proper hallway giving you separation from the outside, and extra space for coats and shoes etc.

The double bedroom is huge, lit with natural light from the bay window, and there's plenty of room to create storage. There's also lots of storage space in the kitchen and there's a good sized bathroom.

Living here, you'll be in the local community of Wood Street which is fast becoming a popular area to live in E17. Could that be because of the Chocolate Bakery?

There's also Walthamstow Cricket, Tennis and Squash Club nearby and your nearest transport for the city is Wood Street station but you're also walking distance from Walthamstow Central tube and Overground stations.

It's a 10 minute walk to Walthamstow Village and Orford Road, where you'll find excellent local pubs, cafes, shops, craft breweries and cultural hotspots like God's Own Junkyard. And up the hill past the station is the gateway to Epping Forest where you can enjoy walking or cycling in acres of natural green space.

A purpose-built home with everything you need in a cracking area and no onward chain. Shall we take a look?
